

ADVENTURE TIME LOVE LETTER by Liumas

2013-05

This great game is made even better with an Adventure Time retheme! We had so much fun with this one that after a few months with this set we then made up a Star Trek set, too.

Contains 16 cards plus 3 different versions of Marceline: AEG's #7 card, Japon Brand's #7 card, and a reasonable compromise version – try each one! Card backs are included, of course.
